Politically, Howland Flat has hereto fore been the stronghold of Republicanism, but we are pleased to state that a decided change has taken place during the past year. In demanding these measures and reforms we arraign the radical party for its disregard of right and the unparalleled opposition and tyranny which have marked its career. It has abolished the right of appeal on important constitutional questions to the supreme and judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subject to great and atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and mo nopolies it has nearly bubled the burden of GOLD MEDAL, the debt created during the war. My mind too, was affected to such an extent as to seriously impair my memory my ideas were confused and spirits depressed. It was averse to society, had evil forbodings and self-distrust and was entirely unfit for any of the duties of life. From 1855 to the summer of 1855, I could consuled more than temporary relief, I had about concluded there was no relief tor me in this world, butteading Dr. Deherty's advertisement 1 thought I should call and see him, as be charged nothing for consultation. I had an interview with the Dector, at his office in Sacramente street, and his fee for treatment was so reasonable. I determined to try him, though I did not expect much benefit from his treatment. On tho 5th day of December last I placed myself under his care: in one week, I found myself very much; improved, and now, after five weeks treatment, I feel myself. of a most remarkable cure of Spermatorrhoeaweek, I found myself very much improved, and [Netarial sear.] now, after five weeks treatment.
